

THE CHILDREN OF CAIRNHILL METHODIST CHURCH PRESENT

little hearts, big faith

STORIES & DRAWINGS OF GOD'S GOODNESS

FOREWORD:

Jesus loves the little children, all the children of the world. This book is a special collection of true stories and drawings, shared by the children of Cairnhill Methodist Church, about their experiences with God and how He is real to them.

Through their personal testimonies, we hope you will be blessed by their honesty, inspired by their courage, and even rediscover the child-like wonder within yourself.

“And he said: “Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven.” - Matthew 18:3 (NIV)

Their stories will remind you that faith knows no age, and God’s presence can be felt in the simplest moments of childhood. Let these little voices encourage you and remind us all of God’s goodness over our lives.

Remember, Jesus loves you!

Love,

William

KAYLA'S TESTIMONY

God is true to me because of an incident that happened to my father.

One day...

My father got colon cancer and needed to go to the hospital, we prayed to God and prayed to God, again and again and again.

God
LOVES
All of
US

Then One day God healed ~~and~~ my father! It was a true miracle.

(P.S I'm sorry my handwriting is messy...)

I was born into a Christian family. But then I did not really believe in God yet. I knew about God, but I was scared about death. I do not know when I truly understood who God was, but when I did, I wasn't scared anymore. I understood that even if our faith was as small as a mustard seed, which is REALLY SMALL, we are still Christians, and we can still go to heaven. How I learned about God was a long process. I started going to church and learnt about all the fantastic things God has done. My parents would also pray with me everynight. And slowly, I understood that God is an AMAZING God, beyond amazing, actually. And He is kind. You might think: why is God doing this to me? But it is all for our own good. ☺

Katie Fan (Primary 5)

Katie 😊 Please don't judge me for what I have written. My parents were the one who told me about God. 😊 And as I grew older, my grandma would tell me about God and tell me BIBLE STORIES. She also told me about Jesus coming again. I have not really "experienced" God yet, but I know many people who have. Like my Father. He was diagnosed with Cancer a few years ago. We were all very sad and we all prayed for him. When he recovered, it seemed like he had become a new person. But I think that also had an impact on me, because God truly answers our prayers. I don't know a lot about God yet, but we are all still learning. I guess since I have known God since a very young age, I don't really know the difference about remember what it was like...?

But when I was young, I was scared about death, after going to church for a while and learning more about God, my fear slowly went away.

I'm not really sure what to write in this "testimony", I don't even know if I'm writing the right thing. So, if you're reading this, please don't judge me.

But I just want to say that anyone can be a Christian. Even if our faith is as small as a Mustard seed (which is REALLY SMALL)!

The end ☺.

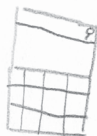

P.S. God answers our prayers. It might seem like he didn't or wouldn't, but he did / will. ☺.

Kristine's testimony

I was writing my chinese composition when I forgot how to write a word, but my chinese dictionary would not work. After awhile, I realised that I had forgotten to pray before my chinese WA. So I said a quick prayer and tried to fix it, suddenly, I heard a voice telling me to press a button and I pressed it and it worked.

I have known God since I was three years old. God has guided me ~~thousands~~ times leading up to this year. Here is an example;

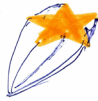

Two years ago, It was near the end-of-year examinations for the primary 4 level. I was very stressed and the amount of homework kept piling up. I prayed to God every day and he came through. I did not know how, but He ~~thought~~ taught me what to study and somehow helped me when I was stressed. And when the end-of-year examinations were upon me, I solved every question. When I received my results, I realised I had gotten ALL in every subject, even Chinese! As I looked back, I realised that I only have God to thank for my amazing results. Thank you, God

I've known God since I was 3. I was born in a christian family. I go to church every sunday and I have made many friends.

I was introduced to Jesus by my family, and my friends who also shared their faith with me to encourage me to get to know Jesus better.

Being a follower of Jesus helps me to exercise self-control. And to learn many other values while I learn about Jesus

I have known god since I was 5 years old. But I never belefeet believed in him then. Then, my mom told me gods word when I was 7 years old and then I started to believe in him and read the bible with my mom during my free time. When I was P3, I was so stressed about my exams so I prayed to him about it. Then, when I got back my exams, I scored so well for my exams. I was so happy and I praised God for what he has done. I hope who ever is reading this testimony will start to believe in God and become christian and go to church.

Callum's testimony :

During the June school holidays, my family and I went to Indabyne (Australia) for holiday. We needed to drive to Victoria. We could only drive for a while and was planning to pump along the way.

First, we had to drive on gravel road. Then it transitioned to a dirt path. We thought it was strange but continued driving. The fuel was decreasing rapidly. We saw a car driving towards us. We asked about directions to the petrol station but it was too far. The driver suggested us to turn back.

We thought about it but we did not have enough fuel. We could only pray for God's help to get out of the national park. (Yes, we were driving in a national park.)

After a while, we saw a motorcycle driving to us. My father waved him down and told our situation.

Miraculously, he had an extra jerrycan

Callum Ha (Primary 4)

of fuel!

He gladly offered us the fuel and we managed to get out of the national park. We got to a petrol station and realised the station did not sell the same octane of fuel that the biker had got.

It really felt like an angel came down from heaven to help us'.

Conclusion/Reflection:

Reflecting on this incident, I realised the holy spirit was telling me not to be afraid and to trust in God because

GOD IS ALWAYS WITH US!

Thanks for reading

To this day, I still praise God for providing us with a cute baby sister. I had been yearning for a sister for a long long time. I still remember ~~Abraham's~~ Abraham's story which he had to wait over ten years to have a child named Isaac. I praise him every day for this blessing. This ~~story~~ tells us that we should praise God regardless of what he does. God is good.

I held my brother's legs while he climbed the bars.

After that, my mum told us if we could do it, we could watch shows.

So I tried hard until I got blisters, but I still could not climb them.

My blisters healed ~~that~~ faster than my other ones because I prayed to ~~and~~ God.

Testimony:

- My dog was 16 years old when he suffered a stroke. He kept vomiting and could not eat nor walk. My family and I brought him to the vet.
- The vet said he was very old and nothing much could be done.
- We prayed for his recovery and after a few days he started eating and could walk and run.
- This is a miracle for an old dog like him.

Suddenly, I woke up! then I prayed to

I know God  since I was 3. I did know Him as I had not accepted Him yet, thankfully I have accepted Jesus, Holy Spirit and God. I have ~~accepted~~ experienced God before in a dream. One of the dreams was my grandma able to stand up and walk around the ~~the~~ hospital.

I knew God because my mother shared many testimonies to me when I was ~~young~~ young. I started to believe in Christ and finally accepted Him even though I was being tested by the devil when I first accepted God. I was scared but now I am not a fraction of him anymore as I know God can help me during hardships and temptations.

Now that I have known Him for a long time, I love God for ~~everything~~ everything He has done for me. I hope someone who has read my testimony has accepted God into ~~their~~ their life.  

God brings life and
God brings love. If we did
not have him life would be meaningless.
